

**CAAHEP Commissioners Special Meeting  
October 16, 2012**

Meeting called to order by President Cameron Harris at 4:04 pm EDT.

**Welcome and Instructions**

President Harris welcomed Commissioners to the call, noting that at the time the meeting was called to order there were 45 attendees present, with at least four additional Commissioners listening via telephone, but not logged in to the webinar, and reviewed that there was one item on the agenda. Staff reviewed housekeeping items with using the Go to Webinar software and how to participate in the call.

**Introduction of Proposed Profession.** President Harris reviewed the Criteria for Eligibility of Health Science Disciplines in CAAHEP and introduced Carolynn Thomas Jones, representative of the Clinical Research Professionals. Ms. Thomas Jones presented an introduction to the profession. Several Commissioners asked questions about the Clinical Research Profession, and Ms. Thomas Jones responded.

Move to accept Clinical Research Professionals as a profession eligible to participate in CAAHEP. Seconded and approved.
