

## Commission on Accreditation of Allied Health Education Programs

25400 US Highway 19 N, Suite 158, Clearwater, FL 33763

727-210-2350 mail@caahep.org www.caahep.org

### **11/15/2019 Accreditation Actions**

Each profession in the Commission on Accreditation of Allied Health Education Programs (CAAHEP) system has a Committee on Accreditation (CoA) that consists of experts in the profession that are responsible for reviewing programs and making appropriate recommendations for accreditation to CAAHEP. CAAHEP reviews recommendations received from its CoAs in each profession, assures due process was followed, and takes final action on an accreditation status.

CAAHEP took the following actions on November 15, 2019 meeting. Actions are identified by profession, action taken, date of the next comprehensive evaluation, and whether a progress report to improve program compliance is required. In some cases, the concentration and/or degree are also specified. To view a copy of the most recent accreditation award letter for a program, which includes information about the accreditation decision, visit the program's listing on the Find An Accredited Program section of the [CAAHEP website](#).

**The following program was found to be in compliance with the accreditation Standards and Guidelines and was granted continuing accreditation, with the next comprehensive evaluation to occur no later than 2022. This action requires no progress report and was approved on the consent agenda.**

#### Diagnostic Medical Sonography

Westmoreland County Community College, Youngwood, PA (General)

**The following program was found to be in compliance with the accreditation Standards and Guidelines and was granted continuing accreditation, with the next comprehensive evaluation to occur no later than 2023. This action requires no progress report and was approved on the consent agenda.**

#### Orthotist/Prosthetist

Florida International University/International Institute of Orthotics and Prosthetics, Miami, FL

**The following programs were found to be in compliance with the accreditation Standards and Guidelines and were granted continuing accreditation, with the next comprehensive evaluation to occur no later than 2024. These actions require no progress report and were approved on the consent agenda.**

#### Diagnostic Medical Sonography
